Sub: Equipments of Keymen

Para 169 of IRPWM specifies equipments of keymen which shall be carried by him during routine inspection of track.

For inspection in tunnels, there is need of Torch even during day time. Therefore TRI-colour torch shall also be the part of equipments of keymen for the sections having tunnels.

Tri-colour torch shall be provided to all such keymen whose section has tunnels. Keymen must use this torch while doing routine inspection in tunnels.

Please confirm with details that at all locations, this has been provided by 31.8.13.

(Vishwesh Chaubey)
Chief Track Engineer
